

What is DEWIS Cymru?

- **Dewis** is **THE** National Citizen portal for Wellbeing information in Wales
- **Dewis** gives citizens choice and control – gives them a voice and puts them at the centre of their care
- **Dewis** helps organisations discharge their duties under Part 2 of the Act

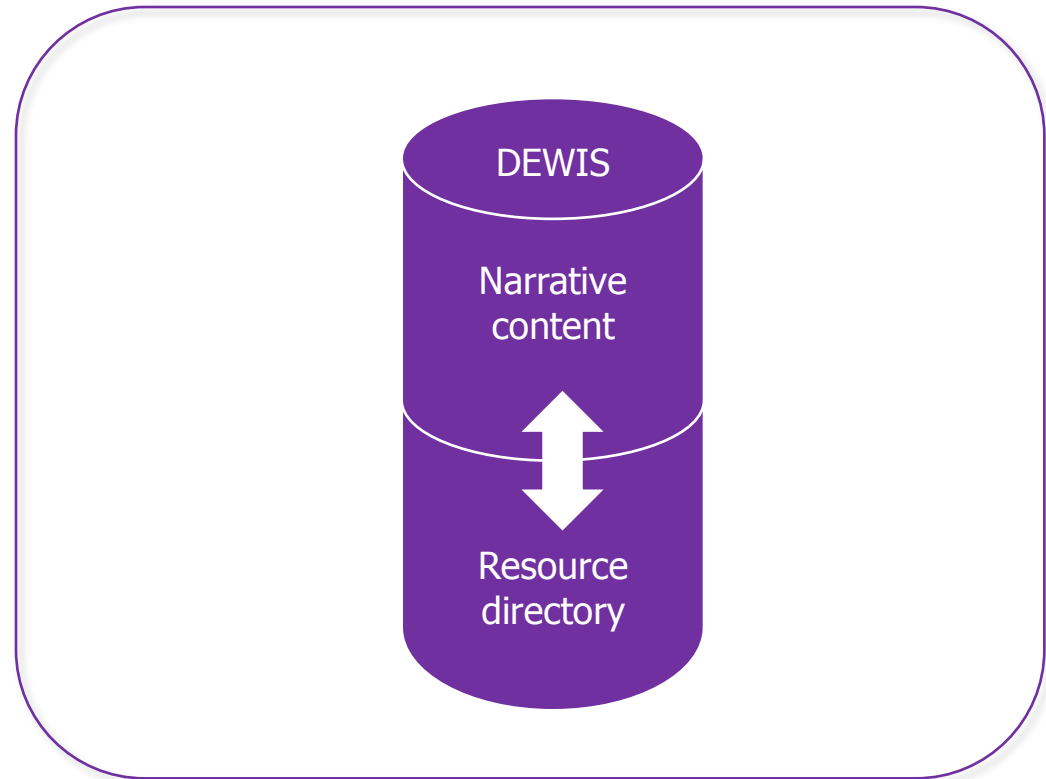

<http://www.dewis.wales/>

What is DEWIS Cymru?

- **Signposting and access to local services**, through...
- Nationally developed **web pages** to help individuals think about their needs, linked to...
- A national **resource directory** containing:
 - Organisations
 - Services
 - Community groups
 - Companies
 - Events

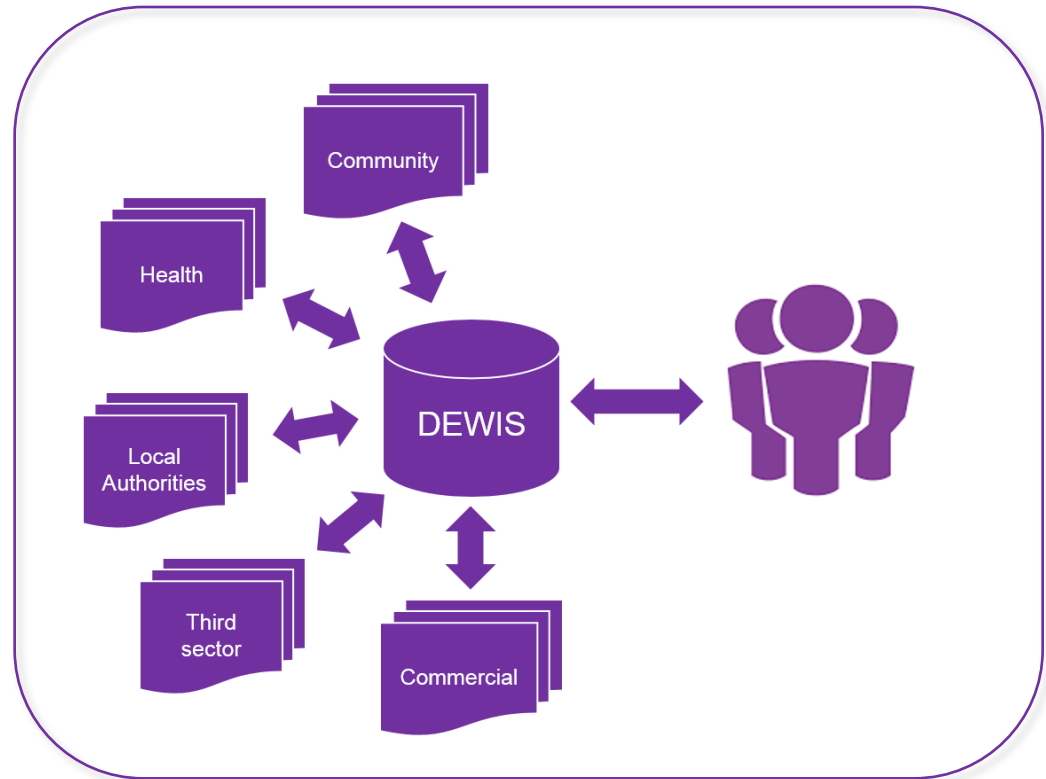

- Agile development to better reflect users needs – citizens involved in design and operation...
- Based on extensive consultation with health, social care and third sector information specialists
- Tested in the real world – input from members of the public via “Barod”
- Advanced Web accessibility testing, technical aspects and content pages, being undertaken by Shaw Trust and Barod

How can DEWIS Cymru help?

- **Dewis** provides a single point of information for citizens and for professionals
- **Everyone** can contribute information about resources in their area

- Logging user search terms where no resources were found
- Mapping service/resource coverage – **identifying gaps in provision**
- **Stimulating resource development** - informing the commissioning agenda over time
